EDUCATION

University of Petroleum and Energy Studies, India — Aug 2023 - June 2027
Bachelors of Technology in Computer Science(AIML) — CGPA: 7.54/10.0

Asha Modern School, India — 2022 - 2023
CBSE Higher Secondary Certificate — Percentage – 70%

Asha Modern School**, India** — 2020 - 2021
CBSE Secondary School Certificate — Percentage – 82%

INTERNSHIP

Web Development Intern | Group Lead
Kush IT World (June 2025 – July 2025)

- Developed responsive web pages using front-end.
- Gained hands-on experience in real-world web development projects.
- Improved teamwork, problem-solving, and communication skills.

Social Intern
Al Zahra Education Society — (June 2024-july2024)

- Contributed to educational and community development activities
- Assisted in organizing academic support programs for students
- Participated in social outreach and awareness initiatives

PROJECTS/RESEARCH

Kidney Cancer Classification using EfficientNetB0 (Deep Learning Project)

Technologies: Python, TensorFlow, Keras, EfficientNetB0, Google Colab

- Developed a CNN model using transfer learning with EfficientNetB0 to classify kidney CT images.
- Fine-tuned last 20 layers to improve feature extraction.
- Applied data augmentation and dropout to reduce overfitting.
- Evaluated using accuracy, precision, recall, F1-score, and confusion matrix.

Salary Management System using Python & MySQL

Technologies: Python, MySQL, SQL

- Developed a console-based salary system integrated with MySQL.
- Designed relational schema with primary & foreign keys (one-to-many relationship).
- Implemented CRUD operations using Python and SQL.
- Automated net salary calculation with SQL generated columns.

SKILLS

Programming languages: C, Java, Python, JavaScript

ML/AI: Machine Learning, Deep Learning, Pattern and Visual Recognition

Libraries: TensorFlow, Scikit-learn, Pandas, NumPy, Matplotlib

Soft Skills: Communication, Leadership and Teamwork

Development Tools: GitHub, Google Colab, Jupyter Notebook, VS Code

CERTIFICATES

- **DSA+full Stack Development (Aug 2025 – Present)**
  Apna College, Virtual
- **MongoDB (Aug 2024 - Sep 2025)**
  SIMPLILEARN, Virtual

ACCOMPLISHMENTS/ RECOGNITION

- Participated in **Smart India Hackathon (SIH)**.
- Received **IEEE Certificate of Participation** for IEEE Technical Webinar during IEEE Day 2025.
